***Whereas,***

***Therefore, be it resolved***

(Samples of resolutions can be seen on line on the Clearwood Website under governing documents. Keep in mind that all Member Resolutions, once presented to the Board at the March Meeting are subject to legal review to ensure that they are not a violation of the State of Washington Laws that govern Home Owners Associations, Non-Profits, and the Uniform Business Code)

(At the current time, based on the attendance at the last meeting, 26 is the required number of signatures to take a resolution forward and present at the March Meeting. It is recommended that you get more than 26 as it is not uncommon for people to sign who are either not members or not considered in good standing by definition in the Covenants). All signatures will be checked after the March Meeting)

The following members wish this resolution to go for membership approval. All signers verify that they are Members in Good Standing under the terms of the Clearwood Covenants.
