***Therefore, be it resolved***

(Samples of resolutions can be seen online on the Clearwood Website under Governing Documents. Keep in mind that all Member Resolutions, once presented to the Board at the June Meeting are subject to legal review to ensure that they are not in violation of the State of Washington Laws that govern Homeowners Associations, Non-Profits, and the Uniform Business Code).

136 signatures of members in good standing (10% of the voting power in the Association), is required to take a resolution forward and present it at the June Meeting. This means no more than one signature per lot owned. It is recommended that you get more than 136 as it is not uncommon for people to sign who are either not members or not considered in good standing by the definition in the Covenants. All signatures will be verified by CCA Staff after the June Board Meeting)

The following members wish this resolution to go for membership approval. All signers verify that they are Members in Good Standing under the terms of the Clearwood Covenants and represent one vote per lot.
