ANY CHANGES OR ADDITIONS TO THE PROJECT MUST BE APPROVED BY THE ACC.

CLEARWOOD COMMUNITY ASSOCIATION
ARCHITECTURAL CONTROL COMMITTEE

MEMBER NAME	DIV/LOT
-------------	---------

GENERAL INFORMATION

ANY CHANGES OR ADDITIONS MUST BE APPROVED BY THE ACC.
 PROPERTY CORNERS MUST BE LOCATED BY THE MEMBER OR A SURVEY PERFORMED.
 PROPERTY CORNERS MUST BE STAKED AND FLAGGED WITH STRING FROM CORNER TO CORNER.
 THE MEMBER IS RESPONSIBLE FOR THE ACCURATE LOCATION OF PROPERTY CORNERS.
 STRUCTURE/HOUSE CORNERS MUST BE STAKED ON THE LOT PRIOR TO ACC INSPECTION.

Lot preparation and all construction must be in accordance with Thurston County Codes and the CCA Covenants. Encroachment on neighboring lots or community property is not allowed. For example; "any cuts into the earth must be a minimum of 2 foot set back from any adjoining property line from the top of the cut".

Outdoor fireplaces or fire-pits must be built in accordance with the Covenants.

Tree and brush clearing debris may be burned on site by complying with DNR and CCA Covenants. Building materials debris must be removed from Clearwood. Directions to garbage collection stations are available at the office or from the ACC.

Member agrees to complete the requested permit in a satisfactory manner within the time given by the permit. Failure to do so may result in a violation of not complying with an ACC permit.

Member are responsible for the conduct and actions of their vendors, subcontractors, and guests. Failure to comply with Covenants, Rules or the terms under which this permit is granted may result in a violation and/or substantial fine.

I hereby acknowledge that I have read and understand the Clearwood Community Association Covenants and Rules and agree to comply with those applicable to this project. Further, I hereby give my permission for a representative of the Clearwood Community Association and/or the Architectural Control Committee to enter my property for the purpose of inspecting the progress of my project and determining compliance with the CCA Covenants and Rules.

Signature _____ Date _____

By approving this permit the Association makes no representations regarding the validity of boundary lines as they may relate to neighboring lots and to abutting community property. Applicant is advised that they should seek assistance of a survey and/or legal counsel to determine the accuracy of their boundaries before beginning any work that may affect bordering properties. Furthermore, approval by the ACC does not release members from an obligation to properly secure all applicable necessary governmental permits associated with the proposed improvements.

I affirm that I have accurately ascertained the boundary of my lot, and that upon approval from the ACC, I will make permitted improvements and/or erect the structure(s) accordingly. I further affirm that, in the event that it is later determined (by survey) that my designation is incorrect, any use will be treated as permissive based upon my error, which, therefore, would constitute a waiver of any claim(s) of adverse possession of abutting properties.

Signed _____, Division _____ Lot _____

Use this graph to sketch site plan.

Scale - $\frac{1}{4}$ " = 4ft.

ASSESSMENTS MUST BE CURRENT!

HOUSE BUILDING PERMIT GUIDELINES

Step 1

Before Permit can be submitted to the office you must have each of the following:

- ___ Site plan showing all easements.
- ___ House plans
- ___ Septic plans
- ___ Permit signed, and graph filled out to scale.
- ___ House color sample
- ___ Roof color sample
- ___ Property lines must be strung.
- ___ House outline location must be strung.
- ___ If removing trees, trees must be marked, and a Tree Removal Waiver must be filled out.
- ___ Permit fee of \$200 plus the impact fee of \$6000 must be paid.

Once submitted and payment has been received, ACC will go out and approve/ disapprove permit. At this time, we will provide you with your COWA (Water Availability form) to take to the county. Please allow 7-10 days after approval of permit to pick up water availability form. You are allowed to start clearing brush from your lot, put in your driveway, and digging your utility trenches ONLY during this step. Nothing more can be completed until Step 2.

Step 2

- _____ Submit a copy of Thurston County permit to office.

Once submitted, ACC will go back out and approve/disapprove the house plans. No building or tree removal can begin until you receive your second permit. All house outlines and property lines must remain strung throughout the process.

COUNTY PERMITS

Septic Systems: Thurston County Environmental Health Dept.

Building: Thurston County Building Dept.

Address: County Courthouse Complex, Bldg. #1
2000 Lakeridge Drive SW
Olympia, WA 98502

THE FOLLOWING LIST MUST BE COMPLETE PRIOR TO SUBMITTING
APPLICATION TO THE ARCHITECTURAL CONTROL COMMITTEE (ACC)

- ✓ A Certificate of Water Availability (COWA) must be obtained from Thurston County Environmental Health and brought to the Clearwood office to be completed by the public water purveyor.
- ✓ Before the Water Certificate can be completed, all fees must be paid to Clearwood Community Association (Impact and ACC fees).
- ✓ Once the COWA is complete, it must be returned to Thurston County, they will not approve any plans without it and you will not get a building permit.
- ✓ A completed and signed ACC application, along with a site plan showing proposed placement of house/cabin or outbuilding, you may use the graph provided on the back or this form. Copies of your county building/on-site sewage permit.
- ✓ Provide a set of building plans for your house/cabin or outbuilding showing the dimensions and the exterior materials to be used, including paint color, we must have a sample.
- ✓ Boundary lines **must be located and strung** in order for ACC to verify setback requirements. (It is the responsibility of the owner to establish property corners). Water meters are not necessarily on the corners.
- ✓ All trees to be removed must be clearly marked so the ACC can make a determination. You may tag the trees that will remain on your lot provided you specify on your application.
- ✓ House/cabin or outbuilding corners must be staked on the lot to verify setbacks. (20' from front, 10' from back, and 6' from each side.) **DO NOT ENCROACH ON NEIGHBORING LAND!**
- ✓ Tree and brush clearing debris may be burned on site complying with CCA and Fire Dept. rules of **one fire 4x4x3 ft.** Building materials must be removed from Clearwood (directions to garbage collection stations are available at the office or from the ACC).

The ACC is a group of volunteers and their time is valuable to the membership, although they try to complete each request in a timely manner, failure to have all the necessary information complete may result in delays processing your application. Be advised your Rules allow for 30- days to process.

A member of the ACC will inspect your lot and review your paperwork, if they visit your lot and any of the requirements are not complete an additional fee will be applied to your account. At third visit to your lot will require you to submit another application.

ALL ASSESSMENTS MUST BE CURRENT!

**DO NOT TAMPER WITH WATER SYSTEM METERS,
BACK-FLOW VALVES OR WATER VALVES OTHER
THAN TO TURN ON AND OFF!!!**

Water Pipe Service Connection is allowed on outflow of back-flow check valve. If, for any reason, a problem exists, contact the Clearwood office immediately for Clearwood Maintenance to repair. Do not remove any of the water service equipment. There is a minimum \$500 fine for tampering with the integrity of our Water System.
